

Rain Barrel Workshop

Good News!

The rainbarrel workshop in Northfield Village has been scheduled.

Date: July 30, 5:00-7:00 p.m.

2020

Join us for our Drive-in and pick-up rainbarrel workshop in the Village of Northfield! Participants will be instructed on how to put together their rainbarrel in a video presentation using this link:

https://www.youtube.com/watch?v=TE2c4t9_asA&feature=youtu.be

The pick-up location will be at the Northfield Village Service Department parking lot, 199 Ledge Road, Northfield, OH 44067

A complete rain barrel system is only **\$50!**

This system includes: a white 55-gallon barrel, downspout diverter, and spigot. Connection systems including a 55-gallon barrel and connection may be purchased for an additional \$50. Barrels can be painted. Staff will be available on pick-up day to load the rainbarrels and answer questions. You will also receive written instructions for assembly at that time.

Participants **must** register and pay for the barrel by
To reserve a spot and a barrel
