Buddy Boy's story...

Buddy Boy came to me from an elderly lady who was going into a nursing home. He is in process of getting additional vaccinations since the records were not present. He has been to the vet twice and is doing nicely. He is VERY friendly and loving. He wants to be played with, petted, snuggled and loved. He is fine around my other cats. He is good with anybody. I also am looking for someone to foster him or foster to adopt as well as just adopt. Contact Laurene at 216-832-1106 or huey15@roadrunner.com. No texts please. Please provide your phone number when emailing. Adoption fee is \$65.
