Charlotte's story...

Ginny, Charlotte, Fred, George, Priscilla, Rhonda and their mother Molly were rescued from a lady who had been feeding the mother not realizing she was old enough to give birth! Priscilla is dainty and quiet. Rhonda is fast and playful. Ginny is curious, courageous and playful. Charlotte is quirky, fearless and playful, George is sassy, very playful and loving. Fred is playful and calm. Momma Molly is a young momma taking good care of her litter. It is best to adopt them in pairs or grouped. Ginny, Charlotte and George are the 3 amigos. Rhonda is very attached to her momma, Molly and hangs with Fred and Priscilla. When you meet them we can discuss who is good to go together. They are spayed/neutered, defleaded, dewormed, leuk, rabies, fvrpc vaccinated. FELV/FIV/HW negative. ...
