### Wally's story...

Wally got his name because he looks like a Walrus! When I first caught him on camera, I thought what is a walrus doing here? He has a shiny greyish coat, with long white whiskers and eyebrows and white under his chin. he is a bit shy, but meows and jumps down for his wet food! With some love and patience, he can be a sweetie. He is felv/fiv/hw negative, leukemia, fvrpc and rabies vaccinated, dewormed, deflead. Please contact me at 216-832-1106 or huey15@roadrunner.com to meet him. No texts please. Please provide your phone number in contacts. Birthday approximate June 2018. Adoption fee \$65.
